Skills

I am an all-round web developer. I have finished an intensive full-stack program at Rutgers University with good knowledge of front-end and back-end techniques. I also stand for quality. I love spending time on fixing little details and optimizing web apps. Also I like working in a team, you'll learn faster and more. As the saying goes; "two heads are better than one."

Experience

Conifer Health Solutions / Billing Rep

November 2016 - March 2018, Exton PA

- Worked an estimated 1,200 accounts to be worked per week.
- Used a wide range of Medicaid billing tools to resolve many different types of insurance denials.
- In addition, I produced \$150,000 on average per month in company revenue.

Conifer Health Solutions / Customer Support Rep.

January 2013 - October 2016, Exton PA

- Used broad knowledge of medical terminology, CPT coding and ICD-9 to resolve account balances
